THE STATE OF OHIO  
OHIO SENATE

HONORING  
THE OHIO AVIATION ASSOCIATION  
ON ITS OBSERVANCE OF GENERAL AVIATION APPRECIATION MONTH 2019

On behalf of the members of the Senate of the 133rd General Assembly of Ohio, we are pleased to salute the Ohio Aviation Association on its commemoration of General Aviation Appreciation Month, December 2019.

This occasion is a fitting time to pay tribute to the Ohio Aviation Association, for this fine organization has advocated for the one hundred fifty public-use general aviation airports in Ohio as well as promoted the economic benefits of the aviation industry. Since its establishment, the association has engaged in an array of worthwhile activities and projects that have met a number of needs, and this agency's impressive contributions readily explain why it is so widely held in high esteem.

The Ohio Aviation Association has enhanced the quality of life within Ohio through its numerous programs and initiatives that have helped this important industry grow throughout our state. We are certain that as this worthy endeavor maintains its dedication to service, it will continue in the tradition of excellence that has been the hallmark of the group since its establishment.

Thus, with hearty applause, we commend the Ohio Aviation Association during General Aviation Appreciation Month and recognize its members as some of Ohio's finest citizens.
